Xampion® System Setup

Xampion Use

How does it work?

Get the app

Download the Xampion app and add your sensor ID numbers.

Shape and insert insoles

Connect Xampion system by shaking both sensors while app is open. Cut insoles to fit your soccer boots. Use your old insoles as your size guide.

Go Play

Kick, run, shoot, pass and sprint. Put your football skills to the test.

Sync Stats

Open the Xampion calendar view on your mobile device, analyze your performance and set your goals. Track, analyze and improve with Xampion.
